## Course Description

Advanced Placement (AP) English Language & Composition is a yearlong, college level course in argument and rhetoric. According to the College Board, “An AP course in English Language & Composition engages students in becoming skilled readers of prose written in a variety of periods, disciplines, and rhetorical contexts and in becoming skilled writers who compose for a variety of purposes. Both their writing and their reading make students aware of the interactions among writer’s purposes, audience expectations, and subjects, as well as the way generic conventions and the resources of language contribute to the effectiveness in writing.” Students in AP English Language & Composition are prepared for and expected to take the National AP English Language and Composition Exam in May. Successful scores on this examination may enable students to receive a college credit for freshman year composition courses.

### Cheating/Plagiarism Policy

**DO NOT CHEAT:** If you study, do your homework, and attend tutorials, you will be successful. If you feel overwhelmed, see me for help, but do not cheat. Plagiarism or any form of academic dishonesty is grounds for a non-negotiable zero on any assignment, test or project. Students should not share answers on any assignment, test, or project unless they are directly instructed to do so.

- **Plagiarism = stealing words or ideas without attribution.**
- **Plagiarism includes paraphrasing another essay or printed work.**

***\*The teacher reserves the right to amend this syllabus to better serve students' academic needs.\****

**Academic Dishonesty:**

Cheating on a test, quiz, or assignment is considered to be a serious breach of conduct. In order to acclimate students to existing stringent standardized testing protocols and to protect the integrity of each testing environment, cell phones are **STRICTLY PROHIBITED** from visibility during ANY assessment/exam. Visible cell phones during an assessment/exam will constitute a breach of testing security and the offending student will receive a zero on the assessment/exam, an administrative referral (*for documentation purposes*), parents will be notified, and they will not be allowed to make up or re-take the assessment/exam. Upon acquiring three administrative referrals, **a referral will be made to the Academic Committee which may lead to dismissal from Arabia Mountain High School.**

Actions considered to constitute cheating include, **but are not limited to:** using unauthorized materials in a test situation, receiving or knowingly giving information regarding a test before and during the test, turning in work for credit which is not one's own, and plagiarism. (See Corresponding Signature Page)

<b>DISTRICT EXPECTATIONS FOR SUCCESS</b>	
<b>STUDENT PROGRESS</b>	Semester progress reports shall be issued four and a half, nine and thirteen and a half weeks into each semester. The progress of students shall be evaluated frequently and plans shall be generated to remediate deficiencies as they are discovered. Plans shall include appropriate interventions designed to meet the needs of the students. <b>See Board Policy IH.</b>
<b>ACADEMIC INTEGRITY</b>	Students will not engage in an act of academic dishonesty including, but not limited to, cheating, providing false information, falsifying school records, forging signatures, or using an unauthorized computer user ID or password. <b>See the Code of Student Conduct - Student Rights and Responsibilities and Character Development Handbook.</b>
<b>HOMEWORK</b>	Homework assignments should be meaningful and should be an application or adaptation of a classroom experience. Homework is at all times an extension of the teaching/learning experience. It should be considered the possession of the student and should be collected, evaluated and returned to the students. <b>See Board Policy IHB.</b>
<b>MAKE-UP WORK DUE TO ABSENCES</b>	When a student is absent because of a legal reason as defined by Georgia law or when the absence is apparently beyond the control of the student, (i.e. an <b>EXCUSED</b> absence) the student shall be given an opportunity to earn grade(s) for those days absent. Make-up work must be completed within the designated time allotted. <b>See Board Policy IHEA.</b>
<b>SCHOOL EXPECTATIONS FOR SUCCESS</b>	
<b>CLASSROOM EXPECTATIONS</b>	See Information Below

<b>EXTRA HELP</b>	Tutorials—Tuesdays 3:30-4:15 (see notice below)
<b>PARENTS AS PARTNERS</b>	TBA

**ELA TUTORIAL POLICY**

The AMHS English Department requires that students sign up for tutorial spots in advance using the form on each teacher's website. The registration deadline for Tuesday tutorials is 7:15 a.m. Tuesday morning. However, signing up for a spot does not guarantee a space in the tutorial if the maximum amount of spots are already filled. The maximum amount of students per tutorial is 15.

The registration form available on each teacher's website requires that students provide a reason for attending tutorial. Acceptable reasons include needing help with a specific assignment, having questions about a specific concept, or needing to make-up a test or quiz due to an excused absence. Tutorial is not study hall, and teachers do not volunteer their time merely to allow students to complete their homework and socialize. Each teacher reserves the right to deny a tutorial spot if a student does not provide a reason for attending or provides an inappropriate reason for attending (ex. "Because I want to").

During the 2018-2019 school year, the English Department looks forward to making tutorial a more efficient and rewarding experience for students and teachers.

### Procedures:

#### **A. Entering the classroom**

When entering the classroom, you will need to find your seat quickly and begin working on the daily warm-up/bell ringer. Unless otherwise instructed, there is NO talking at this time. If you have a question about the warm-up, raise your hand and I will assist you. **Talking during this time for any reason will result in a consequence.**

#### **B. Talking in Class**

Talking will not be tolerated when the instructor or a student is speaking, or when the instructor has designated a time for silence. Immediate silence is also mandatory when an announcement comes over the intercom. If you need the instructor's attention, you must raise your hand instead of calling out, or you will not be recognized for your contribution and be warned instead. **A three finger countdown will signal when the instructor needs your attention. You will have three opportunities to become silent before a consequence is initiated.**

#### **C. Active Listening**

When an instructor, classmate, or guest is speaking, you will be silent with your eyes on that person. We will show you respect when you share your thoughts and opinions, and you should show that same respect to others. Throughout class, if you have a question, do not hesitate to ask it at the appropriate time. There is no such thing as a "stupid question" if you are genuinely confused, it is likely someone else has the same concern. Our open class atmosphere should embody that belief.

***\*The teacher reserves the right to amend this syllabus to better serve students' academic needs.\****

**D. Trash**

The classroom should never have paper or trash on the floor. Paper should **Not** be “thrown” into the trash can; it should be placed in a recycling container. Keep all trash in your possession unless it is an appropriate time to walk to the trash can (i.e., independent practice.) **The class will not leave until the room is clear of debris.**

**E. Personal Grooming**

The use of lotion, perfume, hair-brushing or any other sort of personal grooming is not acceptable in the classroom as it is distracting and inappropriate in a professional setting.

**F. Bell-to-Bell Instruction**

The bell is a signal for instructors to end their lesson. I will let you know when you are dismissed. Students must be in their seats with all trash picked up and materials returned to their proper spots. **Students will not leave until formally dismissed by the instructor.**

**G. Substitutes**

You will treat substitutes with the same respect that Arabia Mountain expects that you treat all of your instructors. Being a substitute is hard work!

**H. Electronic Devices**

**Cell phones and other electronic devices must be turned off and out of sight during class as a professional courtesy to your instructor and classmates.** (Unless otherwise instructed for use during a lesson) If a device is seen or heard, it will be taken up until the end of the period/end of the day. If this is a reoccurring problem, the device will be held until a parent or guardian can retrieve it. Please do not ask if you may have these devices out.
